Your Pastor

You will meet with your Pastor as a couple prior to your wedding.

- This is an opportunity for him to get to know you both and share some practical biblical marriage and relationship skills.
- He will assist you in planning your wedding ceremony and details of your special day including ceremony events, timeline, and other preferences. Additionally, he will be present at your rehearsal to guide everyone through ceremony practice.
- Please don't hesitate to ask questions throughout this process! We want your wedding day, and more importantly, your new marriage to be beautiful!

You may request one of our Pastors for your wedding ceremony, depending upon availability. If no preference, a Pastor will be assigned to your ceremony once scheduled with the church office.
